2.

I will join in a request for a further extension at the appropriate time. Like Devine, I am amenable to providing status reports to the judge on my progress in selling KQOL.

My election to pursue a distress sale of KQOL, and my request for a suspension of procedural dates only to September 1, 1993, should moot the Bureau's objections to such a suspension.

I hereby subscribe to and verify under penalty of perjury the foregoing as truly representing my positions with respect to the matters addressed, and that the street address appearing below is my residence address.

Respectfully submitted,
